Sussex Farm Watch Co-ordinator's Message

Weekly reported loose animal on the Highway included 15 horses and 8 Sheep this week. As always, please check fences, gates and hedgerows on a daily basis if livestock is being kept in the field.

Often people tell me that they have had property stolen but they did not bother to report it to the police as the items stolen were not worth a lot of money. In the eyes of the Police this then means that no crime has taken place. It may be that the theft from you forms part of a series and something small and insignificant in your eyes could lead to further information helping to solve a crime or a series.
